

SUMAN KUMAR SARDAR

Computer Teacher / IT Instructor

- Biratnagar-19, Morang, Nepal
- sumankumarsardar7@gmail.com
- +977-9804076172

PROFESSIONAL SUMMARY

Enthusiastic and tech-savvy IT undergraduate at ISMT Biratnagar, passionate about fostering digital literacy and foundational computing skills in school students. Combines strong knowledge of core computer concepts — including Python programming, web development, and digital workflows — with collaborative problem-solving experience from hackathons. Skilled at structuring engaging computer lab routines, simplifying complex technical concepts, and mentoring pupils in a patient, encouraging environment.

EDUCATION

BSc (Hons) Computer Science / IT (Currently Pursuing)

ISMT College, Biratnagar (Affiliated with UK University)

Core studies in digital logic, programming fundamentals, web technologies & database design.

Higher Secondary Education (+2 Science)

Merryland College, Biratnagar | GPA: 3.28

Built rigorous mathematical and analytical problem-solving foundations.

Secondary Education Exam (SEE)

Shree Pokhariya Secondary School, Biratnagar | GPA: 3.60

HACKATHONS & COLLABORATIVE LEADERSHIP

Technical Competitor & Peer Mentor — Various Technical & Innovation Competitions

- Collaborated within cross-functional teams to conceptualize and build functional software tools under fast-paced timelines.
- Decomposed advanced data structure designs and logic algorithms into intuitive, easy-to-grasp concepts for judge panels — directly translating to instructional clarity in classroom environments.
- Assisted and tutored teammates through troubleshooting, logic building, and debugging cycles leveraging knowledge from specialized masterclasses.

SKILLS & CERTIFICATIONS

Technical Certifications

- Python Programming Crash Course – Verified Training
- 3-Days AI/ML Professional Workshop – Clove IT
- Certificate of Completion: Agentic Economy – ARC

Curriculum Domain

- Core Python Programming
- MS Office: Word, Excel, PowerPoint
- HTML Basics & Web Fundamentals

Teaching & Pedagogical Skills

- Laboratory Mentorship & Supervision
- Simplified Technical Explanations
- Interactive Lessons & Creative Visuals
- Patient, Student-Centred Guidance

Core Competencies

- Problem-Solving & Logical Thinking
- Team Collaboration & Communication
- Digital Literacy Promotion
